Taste of Tucker Policies and Conditions - 2026

It's time for **Taste of Tucker 2026!** The following rules and policies are a part of the participating establishment license agreement for Taste of Tucker 2026. Please review them carefully, complete the application and sign the agreement.

1. PARTICIPATION FEE –

NO BOOTH FEE FOR BREWERIES

We're thrilled to welcome breweries back for their third year at Taste of Tucker! Based on your feedback, we've **eliminated the \$150 booth fee for breweries**. Spaces are limited, so early confirmation is encouraged. Participating breweries will receive a tax deduction letter following the event. **It is expected that all breweries/distributors will provide product at no charge to Taste of Tucker. We ask that you provide at least 300 servings. Any unused product should be removed by the brewery/distributor.**

2. **TASTE TICKETS** - The event will sell **Taste Tickets** at designated ticket booths. All participating breweries are required to accept Taste Tickets as payment for their pour items. Cash transactions are prohibited. Taste Tickets will be valued at \$1 per ticket. Breweries must collect Taste Tickets for all sales at their booth and turn them in to a designated event representative.

3. POUR PRICING AND TASTE TICKET REDEMPTION

All pours in beer garden will be 6 taste tickets.

An event menu with ticket prices should be prominently displayed. Prices may not be altered during the event. At the conclusion of the event, all participating breweries must turn in all Taste Tickets collected during the event to designated event representatives. Vendors who fail to turn in Taste Tickets on the day of the event will forfeit their revenue share and participation in "fan favorite" voting.

4. TASTE TICKET COLLECTION, OPTIONAL REVENUE SHARE, AND BOOTH LOCATION IN BEER GARDEN

Collected tickets will be counted by event coordinators. Breweries may elect to receive a check (issued 2-3 weeks following the event) for 20% of the value of Taste Tickets collected at their booth at the conclusion of the event. Breweries electing to contribute 100% of their collected Taste Tickets to support Taste of Tucker beneficiaries will be considered **VIP Establishment** and will have the opportunity to select their event location in the "Beer Garden" upon receipt of their application and event fee, on a first come, first served basis. Event organizers will assign locations for all other participants.

5. **BEVERAGES** – Alcoholic beverages will only be available in the "Beer Garden." **Vendors and their staff are prohibited from consuming alcoholic beverages. All beverages, with the exception of approved specialty drinks, shall be sold exclusively by Taste of Tucker.**

6. **VENDOR AREA** - Your booth space includes one 8' table and a banner with the establishment name. Booth location assignments will be made approximately ten (10) days prior to the event. Breweries must provide tablecloths, signage and any tent décor. Optionally, establishments can request power to their booth and/or a 10'x10' tent at additional cost. While Taste of Tucker will furnish a banner with the establishment name, the establishment should furnish its own signs, menu boards and décor. Breweries are encouraged to have menus and coupons available to the public to encourage patronage of the brewery following the event. It is also recommended that vendors hold drawings and/or provide promotional giveaways at their booth--such as coupons, gift certificates, etc.-- to promote their establishment and increase patronage.

Vendors may not sublease any part of their space or participate in any third-party advertising or third-party promotions or display third-party signage at their booths.

Taste of Tucker is a family-oriented community event, and all exhibits must be designed, constructed and operated in good taste with the best interest of the event and public safety. No explosive fuels or other highly combustible matter will be permitted. Carnival tactics, the use of public address systems or other similar activities by the Vendor shall not be allowed. Taste of Tucker does not guarantee exclusivity of products displayed.

7. **EVENT HOURS** - Because each event attendee should have the right to see all the exhibits, no exhibit or booth thereof may be closed during the event hours or be dismantled/removed until event ends.
- The event starts promptly at 1:00 p.m. and all establishments are expected to be fully set up and operational by this time. The event officially ends at 6:00 p.m. and establishments are expected to remain open and serving until this time. After 6:00 p.m. establishments may elect to start breaking down/packing up booths even if the event is to run over its designated time. No vehicles will be permitted to access the site until after the event when the majority of the crowd clears and public safety officials and event coordinators deem it safe for vehicles to be on site.
- Vendors who do not set up on schedule may, at the discretion of event coordinators, have their designated space changed or occupied by another vendor. The removed vendor shall not be entitled to a refund.
8. **CANCELLATION** - While there is no booth fee for breweries in 2025, participation is limited and space is valuable. Once your brewery is confirmed, signage and marketing materials are produced and your booth is reserved. **If you cancel after September 1, 2026 or fail to attend the event without prior notice, a \$150 fee will be invoiced to cover incurred costs and lost opportunity for other participants.** We appreciate your commitment to making Taste of Tucker a successful event for all.
9. **CLEANLINESS, DAMAGES & TRASH** - Vendors are responsible for maintaining acceptable standards of sanitation within their booths and for disposing of trash into trash receptacles provided by Taste of Tucker.
- Vendors are responsible for cleaning their assigned area of all debris, grease and soot at the event conclusion. Any vendor that leaves their space damaged, unclean or stained shall be assessed a damage/cleaning fee.
- Vendors using grease in their operations or producing grease waste or wastewater as by-product of their food preparation must not dispose of their grease and wastewater on the event site. Any such materials will need to be removed from the event site and taken back to your establishment for appropriate disposal. If Vendor is found to improperly dispose of wastewater or grease on the event site, a \$500 fee will be charged to Vendor.
10. **AWARDS** –There will be awards for the Brewery that collects the most Taste Tickets. They will receive the coveted **"People's Choice Award."** There may be other awards during or after the event at the discretion of Taste of Tucker. Failure to turn in collected tickets will result in inability to receive an award.
11. **ELECTRICITY** - Power will be provided by a temporary generator. The cost of one 110-volt single outlet will be \$50.00. Vendors are encouraged to use means other than electricity for preparation/serving. *If Vendor requires additional power, electricity request must be recorded on this contract and turned in no later than **SEPTEMBER 1st*** for booth placement within close proximity of temporary generators and to assure power is available to accommodate everyone's needs.
12. **DEKALB COUNTY HEALTH PERMIT FOR TEMPORARY EVENTS** - Since the event is produced by NETWorks, a certified 501c3 organization, restaurants are exempt from paying individual Health Department permit fees or completing individual Health Department applications. The event is required to submit a list of participating restaurants with menu items 30 days prior to the event, and as such the event requires a list of menu items to be provided **no later than August 30th**. All restaurants serving any type of food product (cooked on site, pre-cooked and/or warmed on site or prepackaged food) must comply with the policies established by DeKalb County Health Department for Temporary Events. Visit <http://dekalbhealth.net/envhealth/food-safety/rules-and-regulations/> for details.
13. **LIABILITY** - All Vendors shall, at their own expense, provide Public Liability coverage for their own operation and it shall be their responsibility to present event with evidence of Bodily Injury and Property Damage coverage of no less than \$1,000,000 combined single limit for Bodily Injury and Property Damage. Vendor shall not be allowed to set up without a Certificate of Insurance being on file naming Taste of Tucker and NETWorks Cooperative Ministry as "ADDITIONAL INSURED." Certificates of insurance shall be mailed or faxed to the event by September 22nd.

Neither Taste of Tucker nor its employees or contractors will be responsible for any injury to Vendors, their employees, invitees, guests or visitors within the confines of the space or spaces contracted for by the Vendor or within the confines of the event property itself or in the event Vendor takes its product away from the space in a demonstration or otherwise. Vendor does hereby indemnify, save and hold harmless Taste of Tucker and their managers, officers, directors, contractors, volunteers, consultants or employees, from any suit, claim for personal injury or for loss of use of property by whomever sustained on or about Vendor's display, product or otherwise, or arising out of Vendor's participation in the event, in any capacity, unless damage or injury is due solely to the negligence of Taste of Tucker said indemnification shall include Taste of Tucker's attorney's fees or other costs. Vendor hereby indemnifies and does hereby hold Taste of Tucker harmless for all costs and fees incurred by Taste of Tucker in arbitrating or defending any action legal or otherwise brought by any manufacturer, distributor, dealer who threatens or sues Taste of Tucker to remove an Vendor from the Event. Taste of Tucker shall not be responsible for the loss or damage to any goods from any cause whatsoever, including negligence, while in transit to or from the Event or while in the exhibit area. Vendors shall be solely responsible for securing their exhibit displays and materials at all times. Taste of Tucker shall not in any event be liable for consequential damages, lost profits, or any similar damages.

14. **WATER POLLUTANTS** - Federal and State Water Quality Standards must be complied with at all times and Vendors shall be solely responsible to ensure that there is no dumping or discarding of refuse, sanitary waste, or other pollutants in the drainage system or water surrounding their exhibits or on the event site.

Vendors hereby agree to evacuate and immediately remove their products and related personal property from event property in the event of such weather conditions or the issuance of a tornado warning for Tucker or its environs by the National Weather Service. The Vendors agree that Taste of Tucker does not guarantee safety in abnormal weather conditions (e.g., flood, tide, fog, gale winds, high waves, hurricanes or tornadoes).
